Dear Mr. Vance:

I have received your letter about our missing the Thursday music programs. We have rearranged our schedule so that we will not have to omit any programs. On the Thursday nights of house meetings we are going to broadcast the music program at 10:00. On the alternate weeks the show will go on as scheduled, at 10:30. In this way there will be no question of having more than 12 programs a week.

I am sorry to have bothered you with this problem.

Sincerely,

Janet R. White
